

**PEaCH**  
for bilingual children

## Open Call for PEaCH Ambassadors

We are inviting applications for the role of PEaCH Ambassador to join our fantastic [network of language enthusiasts](#) across the world. We are looking for volunteers who are passionate about languages and regularly come in contact with multilingual families.

### Role description

PEaCH Ambassadors represent the project on a local and national level in their respective language regions. They support families and educators raising bilingual and multilingual children by promoting our positive message about bilingualism and sharing the PEaCH materials.

To the successful candidates, we offer training for the role through webinars, discussions with project partners and peers, as well as online documents and platforms. Note that is an unpaid volunteer position. We would want a PEaCH Ambassador to spend a minimum of two hours per month in their role, but of course welcome additional time spent on sharing our message.

### How and when to apply

To apply, please send us a message via our [website](#) by close of the **4th of October 2021** with the following information:

1. Your name, where you live and which languages you speak – please add links to any online presence.
2. Brief description of your professional background, with emphasis on the language aspect (we do not need a CV), as well as of any other activities related to bilingualism.
3. Why you are interested in becoming a PEaCH Ambassador.
4. How you are in contact with multilingual families through your work or other activities.
